PROCEEDINGS

OF THE

SCIENTIFIC MEETINGS

OF THE

ZOOLOGICAL SOCIETY

OF LONDON.

INDEX.

1871—1880.

BRITISH MUSEUM
ZOOLOGY
NATURAL HISTORY

PRINTED FOR THE SOCIETY,
SOLD AT THEIR HOUSE IN HANOVER-SQUARE.

LONDON:
MESSRS. LONGMANS, GREEN, READER, AND DYER,
PATERNOSTER-ROW.

1882.

PRINTED BY TAYLOR AND FRANCIS,

RED LION COURT, FLEET STREET.

CONTENTS.

Page

List of the Names of Contributors, from 1871 to 1880, with the Titles of and References to the several Articles contributed by each 1

Index of Species described and referred to, 1871 to 1880 .. 113

LIST

OF THE

CONTRIBUTORS,

FROM 1871 TO 1880,

With References to the several Articles contributed by each.

ABRAHAM, PHINEAS S., M.A., B.Sc., F.R.M.S., F.Z.S. Page

Revision of the Anthobranchiate Nudibranchiate Mollusca, with Descriptions or Notices of forty-one hitherto undescribed Species 1877, 196

ADAMS, Dr. A. LEITH, M.B., F.R.S.

Notice of a Memoir on the Osteology of the Maltese Fossil Elephants 1873, 557

Exhibition of the Horns of, and remarks upon, a variety of the Common Goat..... 1874, 2

ADAMS, HENRY, F.L.S.

Further Descriptions of new Species of Shells collected by Robert M'Andrew, Esq., in the Red Sea.. 1872, 9

Descriptions of fourteen new Species of Land and Marine Shells..... 1872, 12

Description of a new Species of *Geotrochus* from the Island of New Britain..... 1872, 614

Page

ADAMS, HENRY, F.L.S. (*continued*).

Descriptions of seventeen new Species of Land and Marine Shells 1873, 205

Descriptions of some new Species of Shells from various Localities, also of a new Genus of Bivalves from Mauritius 1874, 584

Descriptions of two new Land-Shells from Madagascar and New Guinea 1875, 389

ADAMS, HENRY, F.L.S., and ANGAS, GEORGE FRENCH, F.L.S., C.M.Z.S.

Descriptions of five new Species of Land-Shells from Madagascar, New Guinea, Central Australia, and the Solomon Islands 1876, 488

AGASSIZ, ALEXANDER, F.M.Z.S.

Note on some Points in the History of the Synonymy of Echini 1880, 33

ALLMAN, Prof. GEORGE JAMES, F.R.S., C.M.Z.S.

Notice of a Memoir on Hydroids collected during the 'Porcupine' Expeditions 1873, 196

ALLPORT, MORTON, F.L.S., F.Z.S.

On the Introduction of Salmon to the Waters of Tasmania 1874, 206

ALSTON, EDWARD R., F.L.S., F.Z.S.

On a new Species of *Pteropus* from Samoa 1874, 96

On *Anomalurus*, its Structure and Position. . . . 1875, 88

Exhibition of a rufous variety of the Murine Dormouse, *Graphiurus murinus* (Desm.) 1875, 317

On the Classification of the Order Glires. 1876, 61

On the Genus *Dasyprocta*; with Description of a new Species 1876, 347

Page

ALSTON, EDWARD R., F.L.S., F.Z.S. (*continued*).

On two new Species of *Hesperomys* 1876, 755

On the Rodents and Marsupials collected by the Rev. G. Brown in Duke-of-York Island, New Britain, and New Ireland 1877, 123

On an undescribed Shrew from Central America.. 1877, 445

Supplementary Note on Rodents and Marsupials from Duke-of-York Island and New Ireland..... 1877, 743

Note on the Dentition of *Cuscus* 1878, 274

Exhibition, on behalf of Dr. Elliott Coues, C.M.Z.S., of two specimens of *Synaptomys cooperi*, Bd. 1878, 633

On the Squirrels of the Neotropical Region..... 1878, 656

Supplementary Note on the Neotropical Squirrels 1878, 954

On Female Deer with Antlers 1879, 296

On the Specific Identity of the British Martens.. 1879, 468

On the *Acanthomys leucopus* of Gray 1879, 645

Exhibition of, and remarks upon, some Burmese and Afghan Mammals collected by Mr. R. G. Wardlaw-Ramsay 1879, 665

Exhibition of, and remarks upon, a skull of *Tapirus dowi* 1879, 666

On a Four-horned Chamois 1879, 802

Exhibition of, and remarks upon, a drawing of *Tapirus dowi* 1880, 187

Exhibition of, and remarks upon, a remarkable and little-known Australian Marsupial (*Antechinomys lanigera*) 1880, 187

On *Antechinomys* and its Allies..... 1880, 454

ALSTON, EDWARD R., F.L.S., F.Z.S., and BLACKMORE, HUMPHREY P., M.D.

On Fossil *Arvicolidæ* 1874, 460

Page

ALSTON, EDWARD R., F.L.S., F.Z.S., and DANFORD, CHARLES G., F.Z.S.

On the Mammals of Asia Minor 1877, 270

On the Mammals of Asia Minor. Part II. 1880, 50

ANDERSON, ANDREW, F.Z.S.

Notes on the Raptorial Birds of India..... 1871, 675

Notes on the Raptorial Birds of India. Part II. 1872, 68

Additional Notes on the Raptorial Birds of North-western India..... 1872, 619

Letter from, giving an account of the eggs and young of the Gavial (*Gavialis gangeticus*) 1875, 2

Corrections of, and Additions to "Raptorial Birds of North-western India" 1875, 16

Corrections of, and Additions to "Raptorial Birds of North-western India." Part II. 1876, 310

Exhibition of a coloured drawing of *Emys hamiltoni* 1876, 751

Corrections of, and Additions to the "Raptorial Birds of North-western India." Part III. 1876, 776

Exhibition of a spotted egg of *Ascalaphia coromanda* 1877, 807

Exhibition of, and remarks on, the young of *Rhynchops albicollis* and *Seena aurantia* 1877, 807

Exhibition of, and observations upon, the skin of a pair of Grebes (*Podiceps cristatus*) from India, together with two nestling birds 1877, 807

Letter from, concerning *Falco babylonicus*, figured in the Society's 'Proceedings' for 1876 ..... 1878, 2

On a new Species of Indian *Prinia* 1878, 370

Exhibition of a bamboo driving-stick taken from the nest of an Indian Eagle 1878, 393

Page

ANDERSON, JOHN, M.D., F.L.S., F.Z.S., Director of the Indian Museum, Calcutta.

On three new Species of Squirrels from Upper Burmah and the Kakhyen Hills, between Burmah and Yunan 1871, 139

Description of a new Cetacean from the Irrawaddy River, Burmah 1871, 142

Note on the Occurrence of *Sacculina* in the Bay of Bengal 1871, 144

On some Indian Reptiles 1871, 149

On eight new Species of Birds from Western Yunan, China 1871, 211

Description of a new Genus of Newts from Western Yunan 1871, 423

Note on *Testudo phayrei*, Blyth 1871, 425

Notes on some Rodents from Yarkand 1871, 559

Letter, describing a new Species of Macaque 1871, 628

Notes on *Rhinoceros sumatrensis*, Cuvier 1872, 129

On *Manouria* and *Scapia*, two Genera of Land-Tortoises 1872, 132

Further Remarks on the External Characters and Anatomy of *Macacus brunneus* 1872, 203

On some Persian, Himalayan, and other Reptiles 1872, 371

On a supposed new Monkey from the Sunderbunds to the East of Calcutta 1872, 529

Notice of a Memoir on the osteology and dentition of *Hylomys* 1872, 683

On the Species and Dentition of the Southern Asiatic Shrews, preliminary to a Monograph of the Group 1873, 227

Note on a *Macacus brunneus* 1874, 652

Page

ANGAS, GEORGE FRENCH, C.M.Z.S., F.L.S., F.R.G.S.

Descriptions of thirty-four new Species of Shells from Australia 1871, 13

A List of additional Species of Marine Mollusca to be included in the Fauna of Port Jackson and the adjacent Coasts of New South Wales 1871, 87

Descriptions of ten new Species of Land and Marine Shells 1872, 610

Description of a new Species of *Voluta* 1872, 613

Descriptions of eight new Species of Land and Marine Shells from various Localities 1873, 182

Descriptions of three new Species of Shells from Australia 1875, 389

Descriptions of four new Species of *Helix*; with some Notes on *Helix angasiana* of Pfeiffer 1876, 265

Description of a new Species of *Helix* from South Australia 1877, 33

Descriptions of two Genera and twenty Species of Marine Shells from New South Wales 1877, 34

Descriptions of a new Species of *Bulimus* from Western Australia, and of a *Paludinella* from Lake Eyre, South Australia 1877, 170

Descriptions of one Genus and twenty-five Species of Marine Shells from New South Wales 1877, 171

A further List of Additional Species of Marine Mollusca to be included in the Fauna of Port Jackson and the adjacent Coasts of New South Wales..... 1877, 178

Notes on a small Collection of Land and Fresh-water Shells from South-east Madagascar, with Descriptions of new Species 1877, 527

Descriptions of a new Genus of Gasteropodous Mollusca from Japan, and a new Species of *Bullia* from Kurrachi 1877, 529

Page

ANGAS, GEORGE FRENCH, C.M.Z.S. &c. (*continued*).

Notes on the *Helix sepulchralis* of Férussac and its Allies, with Descriptions of two Species..... 1877, 803

Descriptions of seven new Species of Land-Shells recently collected in Costa Rica by Mr. Adolph Boucard..... 1878, 72

Description of a new Species of *Latiaxis*..... 1878, 74

Description of a new Genus of Land-Shells belonging to the Family Cyclophoridæ 1878, 310

Descriptions of nine new Species of Land and Marine Shells from various localities 1878, 311

Description of a new Species of *Tudicula* 1878, 610

Descriptions of six Species of Bivalve Shells in the Collection of Mr. Sylvanus Hanley, F.L.S., and of a *Helix* from the Solomon Islands 1878, 859

Descriptions of ten Species of Marine Shells from the Province of South Australia 1878, 861

A List of additional Species of Marine Mollusca to be included in the Fauna of the Province of South Australia, with Notes on their Habitats and Local Distribution 1878, 864

Descriptions of ten new Species of *Axinæa* and *Pectunculus* in the collection of Mr. Sylvanus Hanley and the late Mr. T. L. Taylor ..... : 1879, 417

On the Terrestrial Mollusca collected in Costa Rica by the late Dr. W. M. Gabb, with Descriptions of new Species 1879, 475

Descriptions of two new Species of *Helix* (*Eurycratera*) from S.E. Betsileo, Madagascar 1879, 728

Further Additions to the Marine Molluscan Fauna of South Australia, with Descriptions of new Species 1880, 415

Descriptions of three Species of Marine Shells from Port Darwin, Torres Straits, discovered by Mr. W. T. Bednall, and of a new *Helix* from Kangaroo Island, South Australia..... 1880, 418

Page

ANGAS, GEORGE FRENCH, F.L.S., C.M.Z.S., and ADAMS, HENRY, F.L.S.

Descriptions of five new Species of Land-Shells from Madagascar, New Guinea, Central Australia, and the Solomon Islands 1876, 488

ATKINSON, W. S., M.A., F.L.S., Director of Public Instruction, Bengal.

Descriptions of three new Species of Diurnal Lepidoptera from Western Yunan, collected by Dr. Anderson in 1868 ..... 1871, 215

Description of a new Genus and Species of Papilionidæ from the South-eastern Himalayas 1873, 570

Descriptions of two new Species of Butterflies from the Andaman Islands 1873, 736

AUSTEN, Major H. H. GODWIN-, F.R.G.S., F.Z.S., Deputy Superintendent, Topographical Survey of India.

See GODWIN-AUSTEN, Lieut.-Col. H. H.

BARBOZA DU BOCAGE, Professor JOSÉ VICENTE, Director of the National Museum, Lisbon, F.M.Z.S.

Observations sur le *Bucorax* de l'Afrique australe (*Buceros carunculatus cafer*, Schleg.)..... 1873, 698

Note sur l'Habitat de l'*Euprepes coctei*, Dum. et Bibr. 1873, 703

Liste des Antilopes d'Angola 1878, 741

BARKLY, Sir HENRY, C.M.Z.S.

Letter from, respecting some animals intended for the Society 1874, 152

BARTLETT, A. D., Superintendent of the Society's Gardens.

Notes on the Birth of a Hippopotamus in the Society's Gardens 1871, 255

Page

BARTLETT, A. D., Superintendent of the Society's Gardens (*continued*).

Additional Notes on the Breeding of the Hippopotamus in the Society's Gardens 1872, 819

On the Birth of a Sumatran Rhinoceros 1873, 104

Exhibition of a Rhinoceros-horn stated to be from Borneo 1874, 499

Description of a new Species of *Numida* 1877, 652

Letter from, relating to the alleged existence of *Anoa depressicornis* in the Philippines 1878, 882

Remarks upon the Habits and Change of Plumage of Humboldt's Penguin 1879, 6

BARTLETT, EDWARD, Curator of the Museum and Public Library, Maidstone.

Notes on the Monkeys of Eastern Peru. (Communicated, with Notes, by P. L. SCLATER, M.A., Ph.D.) 1871, 217

On the Birds of Eastern Peru. By P. L. SCLATER, M.A., Ph.D., F.R.S., Secretary to the Society, and OSBERT SALVIN, M.A., F.Z.S. With Notes on the Habits of the Birds, by EDWARD BARTLETT 1873, 252

Description of a new Moth, belonging to the Family Saturniidæ 1873, 336

List of the Mammals and Birds collected by Mr. Thomas Waters in Madagascar 1875, 62

Remarks on the Affinities of *Mesites* 1877, 292

Second List of Mammals and Birds collected by Mr. Thomas Waters in Madagascar 1879, 767

BARTLETT, EDWARD, and DRUCE, HERBERT, F.L.S., F.Z.S.

List of the Butterflies of Peru, with Descriptions of new Species 1876, 205

Page

BATES, H. W., F.L.S., F.Z.S.

On the Coleoptera collected by the Rev. G. Brown, C.M.Z.S., on Duke-of-York Island, New Ireland, and New Britain 1877, 151

On new Genera and Species of Geodephagous Coleoptera from Central America 1878, 587

On new Species of Coleopterous Insects (Geodephaga and Longicornia) taken by Dr. Stoliczka during the Forsyth Expedition to Kashgar in 1873–74 .... 1878, 713

BEAVAN, Lieut. REGINALD, F.R.G.S., Revenue Survey Department of India.

Descriptions of two imperfectly known Species of Cyprinoid Fishes from the Punjab, India 1872, 150

Notice of a paper on Fishes met with in the river Nerbudda, Minar district of India 1873, 685

Notice of a paper on the difficulties involved in the acceptance of the Darwinian Theory of Evolution .. 1873, 686

BEDDOME, Col. R. H., C.M.Z.S.

Descriptions of some new Operculated Land-Shells from Southern India and Ceylon 1875, 442

Description of a new Species of Indian Snake of the Genus *Platyplectrurus* from the Wynad.. .... 1876, 701

Descriptions of three new Snakes of the Family Uropeltidæ from Southern India 1877, 167

Descriptions of new Reptiles from the Madras Presidency 1877, 685

Description of a new Genus of Tree-Lizards from the higher Ranges of the Anamallays 1878, 153

Descriptions of new Uropeltidæ from Southern India, with Remarks on some previously described Species 1878, 154

Description of a new Genus of Snakes of the Family Calamaridæ, from Southern India 1878, 576

Page

BEDDOME, Col. R. H., C.M.Z.S. (*continued*).

Description of a new Batrachian from Southern India, belonging to the Family Phryniscidæ 1878, 722

Description of six new Species of Snakes of the Genus *Silybura*, Family Uropeltidæ, from the Peninsula of India 1878, 800

Description of a new Snake of the Genus *Plectrurus* from Malabar 1880, 182

BELL, F. JEFFREY, M.A., F.R.M.S., F.Z.S., Professor of Comparative Anatomy in King's College, London.

Notes on the Myology of the Limbs of *Moschus moschiferus* 1876, 182

Observations on the Characters of the Echinoidea. —I. On the Species of the Genus *Brissus*, and on the allied Forms *Meoma* and *Metalia* 1879, 249

Note on the Number of Anal Plates in *Echinocidaris* 1879, 436

Observations on the Characters of the Echinoidea. —II. On the Species of the Genus *Tripneustes*, Agassiz 1879, 655

On *Palæolampas*, a new Genus of the Echinoidea . 1880, 43

On the Names to be applied to certain Echinoidea 1880, 220

Exhibition of, and remarks upon, an immature specimen of an Echinoid 1880, 356

Observations on the Characters of the Echinoidea. —III. On some Genera and Species of the Temnopleuridæ 1880, 422

BENNETT, DR. GEORGE, F.Z.S.

Extract of a letter from, relating to a pair of *Didunculi* and other Birds living in the Botanic Gardens, Sydney 1872, 636

Letter from, respecting a supposed Tree-Kangaroo in Northern Queensland 1873, 518

Page

BENNETT, Dr. GEORGE, F.Z.S. (*continued*).

Exhibition of an egg of the Spotted Bowerbird, and of a photograph of the egg of Flinders's Cuckoo.... 1873, 518

Extract from a letter, referring to the habitat of Bennett's Cassowary 1873, 518

Extract from a letter relating to Birds forwarded to the Society 1874, 186

Letter from, concerning the occurrence of an Indian Beetle (*Chrysochroa ocellata*) in the Bay of Bengal 1875, 2

Letter from, respecting Mr. D'Albertis's proposed new expedition up the Fly River, New Guinea 1876, 519

BENNETT, GEORGE FREDERIC, C.M.Z.S.

Notes on *Ornithorhynchus paradoxus*. By George Frederic Bennett, in a Letter from Dr. George Bennett, F.L.S., F.Z.S., to Professor Owen, C.B., F.R.S., &c., with Remarks by the latter 1877, 161

BERLEPSCH, HANS, Graf von, C.M.Z.S.

Exhibition of, and remarks upon, two varieties of the Long-tailed Titmouse 1879, 552

BIDDULPH, Capt. JOHN.

Letter from, addressed to the Secretary, containing remarks on the Wild Sheep met with during his recent journey to Yarkand 1875, 157

BLACKMORE, HUMPHREY P., M.D., and ALSTON, EDWARD R., F.Z.S.

On Fossil *Arvicolidæ* 1874, 460

BLANFORD, WILLIAM T., F.R.S., F.G.S., F.Z.S. &c.

Description of a new Himalayan Finch, *Procarduelis rubescens* 1871, 693

Note on the Gazelles of India and Persia, with Description of a new Species..... 1873, 313

Page

BLANFORD, WILLIAM T., F.R.S., F.G.S., F.Z.S. (*continued*).

Exhibition of, and remarks upon, horns of the Wild Goat of Persia (*Capra ægagrus*), and of the same animal from Sind 1874, 248

Description of two Uromasticine Lizards from Mesopotamia and Southern Persia 1874, 656

On two Species of *Herpestes*, and a Hare collected by Dr. F. Day in Sind 1874, 661

Notes on the Figures of *Herpestes ferrugineus* and *Ovis polii* 1875, 540

On some Stags' Horns from the Thian-Shan Mountains in Central Asia 1875, 637

Note on the 'Africa-Indien' of A. von Pelzeln, and on the Mammalian Fauna of Tibet 1876, 631

On some of the Specific Identifications in Dr. Günther's Second Report on Collections of Indian Reptiles obtained by the British Museum 1876, 635

Remarks upon the Himalayan Marmots now living in the Society's Gardens 1880, 453

See also HUBRECHT, A. A. W.

BLANFORD, W. T., F.R.S., F.Z.S., and DRESSER, HENRY E., F.Z.S.

Monograph of the Genus *Saxicola*, Bechstein.... 1874, 213

BLEEKER, Dr. P., F.M.Z.S.

Notice sur l'*Elopichthys dahuricus* 1875, 534

BLYTH, EDWARD, C.M.Z.S.

Exhibition of, and remarks upon, some Tiger-skins (*Felis tigris*) from India, Siam, and Siberia 1873, 153

BOCK, CARL, F.G.S. &c.

Descriptions of two new Species of Shells from China and Japan 1878, 727

Page

BOCK, CARL, F.G.S. &c. (*continued*).

Letter from, addressed to the Secretary, containing remarks upon *Capricornis sumatrensis* 1879, 308

BOUCARD, ADOLPHE, C.M.Z.S. &c.

Monographic List of the Coleoptera of the Genus *Plusiotis* of America north of Panama, with Descriptions of several new Species 1875, 117

On Birds collected in Costa Rica 1878, 37

Notes on some Coleoptera of the Genus *Plusiotis*, with Descriptions of three new Species from Mexico and Central America 1878, 293

Descriptions of two supposed new Species of South-American Birds 1879, 178

BOULENGER, G. A., Aide-Naturaliste at the Royal Museum of Belgium.

On the Palæarctic and Æthiopian Species of *Bufo* 1880, 545

BOWERBANK, JAMES SCOTT, LL.D., F.R.S., &c.

Contributions to a General History of the Spongiadæ.—Part I. 1872, 115

Contributions to a General History of the Spongiadæ.—Part II. 1872, 196

Contributions to a General History of the Spongiadæ.—Part III. 1872, 626

Contributions to a General History of the Spongiadæ.—Part IV. 1873, 3

Report on a Collection of Sponges found at Ceylon by E. W. H. Holdsworth, Esq. 1873, 25

Contributions to a General History of the Spongiadæ.—Part V. 1873, 319

Contributions to a General History of the Spongiadæ.—Part VI. 1874, 298

Page

BOWERBANK, JAMES SCOTT, LL.D., F.R.S., &c. (*continued*).

A Monograph of the Siliceo-fibrous Sponges.—Part III. 1875, 272

Contributions to a General History of the Spongiadæ.—Part VII. 1875, 281

A Monograph of the Siliceo-fibrous Sponges.—Part IV. 1875, 503

A Monograph of the Siliceo-fibrous Sponges.—Part V. 1875, 558

Further Observations on *Alcyonellum speciosum*, Quoy et Gaimard, and *Hyalonema mirabilis*, Gray .. 1875, 607

A Monograph of the Siliceo-fibrous Sponges.—Part VI. 1876, 535

Contributions to a General History of the Spongiadæ.—Part VIII. 1876, 768

Description of five new Species of Sponges discovered by A. B. Meyer on the Philippine Islands and New Guinea 1877, 456

BRADY, GEORGE STEWARDSON, C.M.Z.S.

A Review of the Cypridinidæ of the European Seas, with Description of a new Species 1871, 289

A Review of the British Marine Mites, with Descriptions of some new Species 1875, 301

Notes on British Freshwater Mites 1877, 24

Notice of a Memoir on the fossil Ostracoda of the Antwerp Crag 1877, 419

BRADY, GEORGE STEWARDSON, C.M.Z.S., and ROBERTSON, DAVID, F.G.S.

Descriptions of two new Species of British Holothuroidea 1871, 690

BRAZIER, JOHN, C.M.Z.S.

Descriptions of two new Species of Land-Shells from the Bellengen River, New South Wales..... 1871, 321

Notes on recently described Shells 1871, 321

Notes on the Localities of *Dolium melanostoma* and other Shells found in Australia and the adjacent Islands and in the Australian Seas 1871, 585

Descriptions of eight new Australian Land-Shells 1871, 639

Descriptions of seven new Species of the Genus *Helix* and of two Fluviatile Shells from Tasmania .. 1871, 696

Remarks on previously described Species of Land-Shells 1871, 699

Descriptions of seven new Species of Land and Marine Shells from the Solomon Islands, Western Polynesia, and Australia 1872, 20

Observations on the Habitats of certain Volutes.. 1872, 23

A List of the Cypræidæ found on the Coast of New South Wales 1872, 81

Descriptions of three new Species of Marine Shells from Australia 1872, 616

Descriptions of six new Species of Land-Shells from Australia and Lord Howe's Island 1882, 617

Synonymy of, and Remarks upon, Australian and Western Polynesian Land-Shells 1872, 805

A List of the Species of Cassididæ found on the Coast of New South Wales, together with Remarks on their Habits and Distribution 1872, 837

Exhibition of a series of eggs of Megapodes 1874, 606

Descriptions of eleven new Species of Terrestrial and Marine Shells from North-east Australia..... 1874, 668

Descriptions of ten new Species of Shells from the Collection of Mr. Charles Coxen, of Brisbane, Queensland..... 1875, 31

Page

BROOKE, BASIL, F.Z.S., and BROOKE, Sir VICTOR, Bart., F.Z.S.

On the large Sheep of the Thian Shan, and the other Asiatic Argali 1875, 509

BROOKE, Sir VICTOR, Bart., F.Z.S.

Exhibition of a British specimen of the Esquimaux Curlew (*Numenius borealis*) 1871, 299

On Speke's Antelope and the allied Species of the Genus *Tragelaphus* 1871, 482

On *Hydropotes inermis* and its Cranial Characters, as compared with those of *Moschus moschiferus* 1872, 522

On a supposed new Species of Gazelle from Eastern Africa 1872, 601

On the Royal Antelope, and allied Species of the Genus *Nanotragus* 1872, 637

On a new Species of Antelope living in the Society's Menagerie 1872, 874

On African Buffaloes 1873, 474

Exhibition of skins, skulls, and heads of *Cervus antisiensis* 1873, 518

On the Antelopes of the Genus *Gazella*, and their Distribution 1873, 535

On Sclater's Muntjac and other Species of the Genus *Cervulus* 1874, 33

On a new Species of Deer from Persia 1874, 42

On a new Species of Gazelle living in the Society's Menagerie 1874, 141

Remarks on the identity of a certain Deer in the Society's Collection 1874, 606

Letter from, correcting an error in his paper on *Cervulus* (P. Z. S. 1874, p. 41) 1875, 2

On a new Species of Deer from Mesopotamia.... 1875, 261

Supplementary Notes on African Buffaloes..... 1875, 454

BROOKE, Sir VICTOR, Bart., F.Z.S. (*continued*).

Exhibition of original drawings of two species of Koodoo, *Tragelaphus strepsiceros* and *T. imberbis*.... 1875. 470

Supplementary Notes on *Cervus mesopotamicus* .. 1876, 298

On *Cervus schomburgki* (Blyth)..... 1876, 304

On the Deer of the Philippine Islands, with the Description of a new Species 1877, 51

On *Gazella granti* 1878, 723

On the Classification of the Cervidæ, with a Synopsis of the existing Species 1878, 883

On a new Species of Gazelle from Eastern Africa 1878, 929

BROOKE, Sir VICTOR, Bart., F.Z.S., and BROOKE, BASIL, F.Z.S.

On the large Sheep of the Thian Shan, and the other Asiatic Argali 1875, 509

BROOKS, W. E., of Etawah.

On the Imperial Eagles of India 1872, 502

BROWN, ARTHUR, E.

Letters from, relating to the birth of an Elephant in a menagerie at Philadelphia 1880, 222

BROWN, Rev. GEORGE, C.M.Z.S.

Letter from, on birds transmitted to the Society from Duke-of-York Island 1876, 2

Letter from, addressed to the Secretary, concerning the range of the Mooruk 1879, 5

BROWN, Dr. R., of Campster, F.R.G.S.

Extracts of a Letter from, relating to the best method of destroying Poisonous Serpents 1871, 39

Page

BRUIJN, A. A.

Letter from, concerning living examples of *Dasyptilus pesqueti* and of four species of Paradise-birds.. 1875, 30

BUCKLEY, HENRY, F.Z.S.

On some new or rare Birds' Eggs 1872, 625

BUCKLEY, T. E., B.A., F.Z.S.

On the past and present Geographical Distribution of the Large Mammals of South Africa 1876, 277

On the past and present Geographical Distribution of the Larger Mammals of South Africa 1877, 452

BURMEISTER, Dr. HERMANN, F.M.Z.S., Director of the National Museum, Buenos Ayres.

Letter from, containing remarks on the *Cracidæ* in the Museum of Buenos Ayres 1871, 701

Synopsis of the Lamellirostres of the Argentine Republic..... 1872, 364

Description of a new Species of *Dolichotis* 1875, 634

Additional Notes on *Dolichotis salinicola* 1876, 461

Notes on *Conurus hilaris* and other Parrots of the Argentine Republic 1878, 75

BUSK, GEORGE, F.R.S., F.Z.S.

Notice of a new Polyzoon (*Hippuraria egertoni*).. 1874, 29

Note on the Cranial and Dental Characters of the Northern and Southern Tigers and Leopards of China, as affording Marks of their Specific Distinction 1874, 146

Notice of a Memoir on the ancient or quaternary Fauna of Gibraltar, to be published in the Society's 'Transactions' 1876, 415

BUTLER, ARTHUR GARDINER, F.L.S., F.Z.S., Assistant Keeper, Zoological Department, British Museum.

Descriptions of some new Species of Exotic Lepidoptera 1871, 79

Page

BUTLER, ARTHUR GARDINER, F.L.S., F.Z.S. (*continued*).

Descriptions of some new Species and a new Genus of *Pierinæ*, with a Monographic List of the Species of *Ixias* 1871, 250

A Monograph of the Lepidoptera hitherto included in the Genus *Elymnias* 1871, 518

A Revision of the Species formerly included in the Genus *Terias* (Pierinæ) 1871, 526

On a small Collection of Butterflies from Angola . 1871, 721

Description of a New Genus of Lepidoptera allied to *Apatura* 1871, 725

A Synonymic List of the Species formerly included in the Genus *Pieris*, with all others described since the subdivision of the Group by recent Authors 1872, 26

A Monographic Revision of the Genera *Zephronia* and *Sphærotherium*, with Descriptions of new Species 1873, 172

A List of the Spiders of the Genus *Acrosoma*, with Descriptions of new Species 1873, 420

Revision of the Genus *Protogonius* 1873, 772

List of the Species of *Fulgora*, with Descriptions of new Forms in the Collection of the British Museum 1874, 97

List of Diurnal Lepidoptera of the South-Sea Islands 1874, 274

Descriptions of three new Species of Homopterous Insects 1874, 672

Descriptions of thirty-three new or little-known Species of Sphingidæ in the Collection of the British Museum 1875, 3

Descriptions of four new Species of *Protogonius* .. 1875, 35

Descriptions of new Species of Sphingidæ 1875, 238

Notice of a Memoir on the Heterocerous Lepidoptera of the family Sphingidæ 1875, 269

Descriptions of several new Species of Indian Heterocerous Lepidoptera 1875, 391

Page

BUTLER, ARTHUR GARDINER, F.L.S., F.Z.S. (*continued*).

On a Collection of Butterflies from the New Hebrides and Loyalty Islands, with Descriptions of new Species 1875, 610

On a small Collection of Butterflies from Fiji .. 1875, 619

Descriptions of several new Species of Sphingidæ 1875, 621

Revision of the Lepidopterous Genus *Teracolus*, with Descriptions of the new Species 1876, 126

On a small Collection of Butterflies from the New Hebrides 1876, 251

Descriptions of Lepidoptera from the Collection of Lieut. Howland Roberts 1876, 308

Descriptions of new Species of Lepidoptera from New Guinea, with notice of a new Genus 1876, 765

On the Myriopoda and Arachnida collected during the visit of H.M.S. "Peterel" to the Galapagos Islands 1877, 75

On the Lepidoptera, Orthoptera, and Hemiptera collected during the visit of H.M.S. 'Peterel' to the Galapagos Islands 1877, 86

Descriptions of new Species of Heterocerous Lepidoptera in the Collection of the British Museum .. 1877, 168

On the Myriopoda obtained by the Rev. G. Brown in Duke-of-York Island 1877, 282

On two Collections of Heterocerous Lepidoptera from New Zealand, with Descriptions of new Genera and Species 1877, 379

On a Collection of Lepidoptera from Cape York and the South-east coast of New Guinea 1877, 466

On a Collection of Lepidoptera made in Northern Formosa by H. E. Hobson, Esq. 1877, 810

On a small Collection of Lepidoptera obtained by the Rev. J. S. Whitmee at the Ellice Islands 1878, 296

Page

BUTLER, ARTHUR GARDINER F.L.S., F.Z.S. (*continued*).

Description of new Lepidoptera of the Group Bombicites, in the Collection of the British Museum.... 1878, 381

On a small Collection of Lepidoptera from Jamaica 1878, 480

Description of a new Species of the Orthopterous Genus *Phylloptera* from Madagascar 1878, 648

Description of a Remarkable new Spider from Madagascar..... 1878, 799

On the Heterocera in the Collection of Lepidoptera from New Ireland obtained by the Rev. G. Brown.. 1879, 160

On Arachnida from the Mascarene Islands and Madagascar..... 1879, 729

On new and little-known Butterflies from India. 1880, 147

Description of a new Species of Orthopteron of the Genus *Anostostoma* from Madagascar 1880, 152

On a Collection of Lepidoptera from Candahar. 1880, 403

On a second Collection of Lepidoptera made in Formosa by H. E. Hobson, Esq. 1880, 666

BUTLER, ARTHUR G., F.L.S., F.Z.S., &c. and DRUCE, HERBERT, F.L.S., F.Z.S., &c.

List of Butterflies of Costa Rica, with Descriptions of new Species 1874, 330

BUTLER, MONTAGU RUSSELL.

Description of a remarkable new Species of *Tanaëcia* 1873, 235

Descriptions of three new Species of Diurnal Lepidoptera..... 1873, 686

CALDWELL, J., C.M.Z.S.

Notes on the Zoology of Rodriguez 1875, 644

Page

CAMBRIDGE, Rev. O. PICKARD, M.A., C.M.Z.S.

Notes on some Arachnida collected by Cuthbert Collingwood, M.D., during rambles in the China Sea, &c. 1871, 617

General List of the Spiders of Palestine and Syria, with Descriptions of numerous new Species and Characters of two new Genera 1872, 212

Descriptions of twenty-four new Species of *Erigone* 1872, 747

On some new Genera and Species of Araneidea .. 1873, 112

On the Spiders of St. Helena 1873, 210

On some new Species of Araneidea, chiefly from Oriental India 1873, 435

On some new Species of *Drassides* 1874, 370

On some new Species of *Erigone* from North America 1874, 428

On some new Species of *Erigone*.—Part I. 1875, 190

On some new Species of *Erigone*.—Part II. 1875, 323

On some new Species of *Erigone* from North America 1875, 393

On a new Order and some new Genera of Arachnida from Kerguelen's Land 1876, 258

Catalogue of a Collection of Spiders made in Egypt, with Descriptions of new Species and Characters of a new Genus 1876, 541

On some Spiders collected by the Rev. George Brown in Duke-of-York Island, New Britain, and New Ireland 1877, 283

On some new Species of Araneidea, with Characters of two new Genera, and some Remarks on the Families Podopthalmides and Dinopides 1877, 557

On a new Genus and Species of Spiders of the Family Salticides 1879, 119

On some new and little-known Species of Araneidea, with Remarks on the Genus *Gasteracantha* 1879, 279

Page

CAMBRIDGE, Rev. O. P., M.A., C.M.Z.S. (*continued*).

On some new and rare Spiders from New Zealand, with Characters of four new Genera 1879, 681

On some new and little-known Spiders of the Genus *Argyrodes*, Sim. 1880, 320

CHEESEMAN, S. T., F.L.S., Curator of the Auckland Museum.

Descriptions of three new Species of Opisthobranchiate Mollusca from New Zealand 1878, 275

CLARK, JOHN W., F.Z.S.

On the Skeleton of a Narwhal (*Monodon monoceros*) with two fully developed Tusks 1871, 42

Notes on the Visceral Anatomy of the Hippopotamus 1872, 185

Exhibition of, and remarks upon, skulls of *Phoca* (*Halicyon*) *richardsi* and *Phoca vitulina* 1873, 556

On the Eared Seals of the Auckland Islands 1873, 750

On the Skull of a Marten (*Martes*, sp.?) from Burwell Fen, Cambridgeshire 1873, 790

On the Eared Seals of the Islands of St. Paul and Amsterdam, with a Description of the Fur-Seal of New Zealand, and an attempt to distinguish and rearrange the New-Zealand Otariidæ 1875, 650

Notes on a Dolphin taken off the Coast of Norfolk 1876, 686

Notes on three stuffed Specimens of the Sea-lion of the Pribilov Islands (*Otaria ursina*) 1878, 371

Exhibition of a drawing of a species of *Lagenorhynchus* lately taken off Ramsgate 1879, 311

COBBOLD, T. SPENCER, M.D., F.R.S., F.L.S., Professor in the Royal Veterinary College.

Notes on Entozoa.—Part I. 1873, 736

Notes on Entozoa.—Part II. 1874, 124

COBBOLD, T. SPENCER, M.D. &c. (*continued*).

Notes on Entozoa.—Part III. 1876, 200

Exhibition of, and remarks upon, a parasite (*Echinorhynchus*) 1876, 256

Notes on Entozoa.—Part IV. 1876, 294

COLLETT, ROBERT, C.M.Z.S.

On the Asymmetry of the Skull in *Strix tengmalmi* 1871, 739

On *Phylloscopus borealis* and its occurrence in Norway 1877, 43

On *Latrunculus* and *Crystallogobius*, two remarkable Forms of Gobioid Fishes 1878, 318

On a new Fish of the Genus *Lycodes* from the Pacific 1879, 381

COMRIE, Dr. P.

Exhibition of, and remarks on, zoological specimens collected during the Survey, by H.M.S. 'Basilisk,' of the S.E. coast of New Guinea 1876, 422

COOKSON, Commander W. E., R.N.

Letter from, containing remarks on the Tortoises of the Galapagos 1876, 520

CORNÉLY, J. M., C.M.Z.S.

Letter from, addressed to the Secretary, announcing that his female *Hydropotes inermis* had produced young 1877, 533

COUES, Dr. ELLIOTT, C.M.Z.S. (See ALSTON, EDWARD R., 1878.)

COX, JAMES C., M.D., C.M.Z.S.

Descriptions of seven new Species of Australian Land-Shells 1871, 53

Descriptions of new Species of Land and Marine Shells from Australia and the South-western Pacific. 1871, 323

Page

Cox, James C., M.D., C.M.Z.S. (*continued*).

Description of a new Volute and twelve new Species of Land-Shells from Australia 1871, 643

Descriptions of new Land-Shells from Australia and the South-Sea Islands 1872, 18

Descriptions of new Land-Shells from Australia and the Solomon Islands 1873, 146

Descriptions of new Species of Land and Marine Shells from Australia and the Solomon and Louisiade Islands 1873, 564

Craven, Alfred E., F.R.G.S., F.G.S., F.L.S., F.Z.S.

Description of three new Species of Land and Freshwater Shells from Nossi-Bé Island (N.W. Coast Madagascar) 1880, 215

On a Collection of Land and Freshwater Shells made during a short Expedition to the Usambara Country in Eastern Africa, with Descriptions of seven new Species 1880, 216

On a Collection of Land and Freshwater Shells from the Transvaal and Orange Free State in South Africa, with Descriptions of nine new Species 1880, 614

Description of three new Species of Land-Shells from Cape Colony and Natal 1880, 618

Cunningham, D. J., M.B., Demonstrator of Anatomy, University of Edinburgh.

Description of a young Specimen of the *Delphinus albirostris* 1876, 679

Cunningham, Robert O., M.D., F.L.S., C.M.Z.S.

Notes on some Points in the Osteology of *Rhea americana* and *Rhea darwinii* 1871, 105

Notice of a Memoir on the anatomy of the Steamer Duck (*Micropterus cinereus*) 1871, 262

Page

D'Albertis, Luigi Maria, C.M.Z.S.

Notes on Birds collected in New Guinea..... 1873, 557

Characters of a new Species of Kangaroo (*Halmaturus luctuosus*) from New Guinea 1874, 110

Letter from, giving some account of several excursions into Southern New Guinea 1875, 530

Letter from..... 1876, 519

Exhibition of some new and rare birds from the Fly River, New Guinea..... 1879, 218

Dall, W. H., Smithsonian Institution.

On the Use of the generic Name *Gouldia* in Zoology..... 1879, 131

Danford, Charles G., F.Z.S.

Notes on the Wild Goat, *Capra ægagrus*, Gm. ... 1875, 458

Exhibition of, and remarks upon, some antlers of Deer from Asia Minor 1879, 552

Danford, Charles G., F.Z.S., and Alston, Edward R., F.L.S., F.Z.S.

On the Mammals of Asia Minor 1877, 270

On the Mammals of Asia Minor.—Part II..... 1880, 50

Darwin, Frank, B.A., and A. H. Garrod, B.A., F.Z.S., Prosector to the Society.

Notes on an Ostrich lately living in the Society's Collection 1872, 356

Davidson, Thomas, F.R.S., F.G.S.

On Japanese recent Brachiopoda 1871, 300

Day, Francis, F.L.S., F.Z.S.

Notes on Indian Siluroid Fishes 1871, 286

GÜNTHER, ALBERT, M.D., Ph.D., F.R.S., &c. (*continued*).

Description of two new Species of Dwarf Antelope (*Neotragus*) 1880, 17

Exhibition of a drawing of an example of *Holacanthus tricolor* said to have been obtained on the coast of the island of Lewes 1880, 23

Note respecting the occurrence of *Holacanthus tricolor* in the Western Isles..... 1880, 356

Notes on some Japanese Mammalia 1880, 440

Exhibition of, and remarks upon, a series of horns of *Cervus equinus* 1880, 452

Notice of a Memoir on some rare Reptiles and Batrachians now or lately living in the Society's Menagerie 1880, 648

GUPPY, R. J. LECHMERE, F.L.S., F.G.S., &c.

On the Occurrence of *Helix coactiliata* in Trinidad; with Remarks on the Distribution of the Land and Freshwater Mollusca of that Island..... 1875, 318

Note on a Variety of *Bulimus constrictus* found in Venezuelan Guiana 1875, 322

GURNEY, JOHN HENRY, F.Z.S.

Remarks on certain Species of Abyssinian Birds.. 1871, 147

Note on the Polish Swan 1877, 579

Letter on a supposed example of *Falco babylonicus* 1878, 2

Notes on a Specimen of *Polyborus* lately living in the Society's Gardens 1878, 230

Remarks upon the habits of *Asturinula monogrammica*..... 1878, 791

Note on the Immature Plumage of *Dryotriorchis spectabilis* (Schleg.) 1880, 621

Page

GURNEY, J. H., Jun., F.Z.S.

Exhibition of an example of the Lesser White-fronted Goose (*Anser erythropus*) killed in Egypt .. 1876, 414

Letter from, containing notes on the breeding of a pair of the Polish Swan (*Cygnus immutabilis*) 1876, 466

HAAST, Professor JULIUS JOHN FRANCIS VON, Ph.D., F.R.S., C.M.Z.S., Director of the Canterbury Museum, Christchurch, New Zealand.

On the Occurrence of a new Species of *Euphysetes* (*Euphysetes pottsii*), a remarkably small Catodont Whale, on the Coast of New Zealand 1874, 260

Further Notes on *Oulodon*, a new Genus of Ziphioid Whales from the New-Zealand Seas 1876, 457

Notes on the Skeleton of *Ziphius novæ-zealandiæ* . 1876, 466

Notes on *Mesoplodon floweri* 1876, 478

On *Ziphius novæ-zealandiæ* 1880, 232

HAMILTON, EDWARD, M.D., F.L.S., F.Z.S.

Remarks on the prolific nature of *Hydropotes inermis* 1871, 258

Exhibition of, and remarks upon, the skull of a Chinese Deer (*Hydropotes inermis*) 1871, 702

Remarks on the fecundity of *Hydropotes inermis*.. 1873, 473

Exhibition of some deformed sterna of the common Fowl 1875, 47

HANLEY, SYLVANUS.

Description of a new Species of *Monocondylæa* .. 1871, 587

Descriptions of new Land and Freshwater Shells from India 1875, 605

HARTING, JAMES EDMUND, F.Z.S.

Exhibition of, and remarks upon, a specimen of the so-called Sabine's Snipe (*Scolopax sabini*)..... 1871, 39

Exhibition of a Red-breasted Goose (*Anser ruficollis*, Pallas) 1871, 102

Page

HARTING, JAMES EDMUND, F.Z.S. (*continued*).

Catalogue of an Arctic Collection of Birds presented by Mr. John Barron, F.R.S., to the University Museum at Oxford; with Notes on the Species 1871, 110

Exhibition of a curious variety of the Common Partridge 1873, 729

On a new Species of *Tringa* from Alaska 1874, 242

On the Lapwing of Chili 1874, 449

On the Eggs of some little-known *Limicolæ*..... 1874, 454

Exhibition of, and remarks upon, a variety of the Common Snipe 1877, 533

Exhibition of, and remarks upon, a specimen of Bartram's Sandpiper, supposed to have been killed in Lincolnshire 1880, 543

HARTLAUB, Dr. G., F.M.Z.S.

Letter from, relating to a Finch (*Lobiospiza notabilis*) described in the Society's 'Proceedings'..... 1875, 269

On a new Species of *Notauges* (*N. hildebrandti*, Cab.) 1878, 721

On a new Species of Barn-Owl from the Island of Viti-Levu 1879, 295

On a new Species of Heron from Mohambo in Northern Madagascar 1880, 39

On some new Birds discovered and collected by Dr. Emin Bey in Central Africa, between 5° and 2° N. lat., and 31° and 32° E. long. 1880, 624

HARTLAUB, Dr. G., F.M.Z.S., and FINSCH, Dr. O., C.M.Z.S.

On a Collection of Birds from Savai and Rarotonga Islands, in the Pacific 1871, 21

On a fourth Collection of Birds from the Pelew and Mackenzie Islands 1872, 87

Page

HECTOR, JAMES, M.D., F.R.S., C.M.Z.S., Director of the Geological Survey of New Zealand.

On *Cnemiornis calcitrans*, showing its Affinity to the Natatores 1873, 763

Extract from a letter pointing out an error in his paper on *Cnemiornis calcitrans* 1874, 307

Exhibition of a pelvis of *Harpagornis moorei*, from Otago, New Zealand 1875, 470

Exhibition of, and remarks upon, three feather mats made by the Maoris of New Zealand 1876, 2

HEYSHAM, Col.

Extract from a letter, addressed to the President, containing remarks upon two cases of Elephants breeding in captivity 1880, 23

HIGGINS, EDMUND THOMAS, F.Z.S.

Descriptions of new Species of Shells discovered by Mr. Clarence Buckley in Ecuador 1872, 685

HOFFMAN, WALTER J., M.D.

Letter from, describing a horn of an American Pronghorn with a double prong 1875, 532

On a supposed Instance of Hybridization between a Cat and a Lynx 1880, 380

HOLDSWORTH, E. W. H., F.L.S., F.Z.S.

Note on a Variety of *Felis rubiginosa* from Ceylon 1871, 756

Catalogue of Birds found in Ceylon; with some Remarks on their Habits and Local Distribution, and Descriptions of two new Species peculiar to the Island 1872, 404

Note on a Cetacean observed on the West Coast of Ceylon 1872, 583

Note on the Occurrence of *Xenospongia patelliformis*, Gray, on the Coast of Ceylon 1873, 32

Page

HOLDSWORTH, E. W. H., F.L.S., F.Z.S. (*continued*).

Exhibition of, and remarks upon, a specimen of *Geocichla layardi* obtained at Jaffna, Ceylon 1877 160

Note on the Distribution of the Crayfish (*Astacus*) in Spain 1880, 421

HOLMWOOD, F.

Remarks upon a young specimen of Temminck's Manis (*Manis temmincki*) 1878, 632

HOSKINS, Commodore.

Letter from, concerning the northern limit of the "Mooruk" 1879, 4

HUBRECHT, A. A. W.

On a Collection of Reptiles and Amphibians from Baluchistan made by Dr. C. Duke in April and May, 1877. With a Note by W. T. BLANFORD, F.Z.S. .. 1880, 620

HUDSON, WILLIAM H., C.M.Z.S.

Tenth Letter on the Ornithology of Buenos Ayres 1871, 4

Eleventh Letter on the Ornithology of Buenos Ayres 1871, 258

Twelfth Letter on the Ornithology of Buenos Ayres 1871, 326

On the Birds of the Rio Negro of Patagonia. With Notes by P. L. SCLATER, M.A., Ph.D., F.R.S., Secretary to the Society 1872, 534

On the Habits of the Swallows of the Genus *Progne* met with in the Argentine Republic. With Notes by P. L. SCLATER, M.A., Ph.D., F.R.S., Secretary to the Society 1872, 605

Notes on the Habits of the Churinche (*Pyrocephalus rubineus*) 1872, 808

On the Habits of the Vizcacha (*Lagostomus trichodactylus*) 1872, 822

HUDSON, WILLIAM H., C.M.Z.S. (*continued*). Page

Further Observations on the Swallows of Buenos Ayres 1872, 844

Notes on the Habits of the Pipit of the Argentine Republic 1873, 771

Notes on the Procreant Instincts of the three Species of *Molothrus* found in Buenos Ayres 1874, 153

On the Habits of the Burrowing Owl (*Pholeoptynx cunicularia*) 1874, 308

On the Herons of the Argentine Republic, with a Notice of a curious Instinct of *Ardetta involucris* .. 1875, 623

Note on the Spoonbills of the Argentine Republic 1876, 15

Notes on the Rails of the Argentine Republic.... 1876, 102

HUME, ALLAN OCTAVIAN, C.B., Secretary to the Government of India, Calcutta.

Letter from, containing some criticisms on Mr. Howard Saunders's Review of the Sterninæ 1877, 683

HUTTON, Captain F. W., C.M.Z.S.

Descriptions of some new Starfishes from New Zealand 1872, 810

HUTTON, Capt. THOMAS, C.M.Z.S.

On the Bats of the North-western Himalayas. With Notes and Corrections in Nomenclature by Prof. W. PETERS, F.M.Z.S. 1872, 690

HUXLEY, THOMAS H., LL.D., Sec. R.S., V.P.Z.S., &c.

On the Structure of the Skull and of the Heart of *Menobranchus lateralis* 1874, 186

Contributions to Morphology. ICHTHYOPSIDA. No. 1. On *Ceratodus forsteri*, with Observations on the Classification of Fishes 1876, 24

Page

HUXLEY, THOMAS H., LL.D., Sec.R.S. (*continued*).

On the Position of the Anterior Nasal Apertures in *Lepidosiren* 1876, 180

On the Classification and the Distribution of the Crayfishes 1878, 752

On the Cranial and Dental Characters of the Canidæ 1880, 238

On the Application of the Laws of Evolution to the Arrangement of the Vertebrata, and more particularly of the Mammalia 1880, 649

IBBY, Major LEONARD HOWARD, F.Z.S.

Exhibition of an apparently new species of Raven from Tangier, Morocco 1874, 325

Exhibition of nests, eggs, and young of *Cypselus pallidus* 1878, 976

JACKSON, C. L.

Exhibition of a skull of a female Sea-lion (*Otaria stelleri*?) 1879, 460

JACOBY, MARTIN.

Description of new Genera and Species of Phytophagous Coleoptera 1876, 807

Descriptions of new Species of Phytophagous Coleoptera 1877, 510

Descriptions of new Species of Phytophagous Coleoptera 1878, 144

Descriptions of new Species of Phytophagous Coleoptera from Central and South America 1878, 982

Descriptions of new Species of Coleoptera of the Family Halticidæ 1879, 439

Descriptions of new Species of Phytophagous Coleoptera 1879, 773

Page

JACOBY, MARTIN (*continued*).

Descriptions of new Species of Phytophagous Coleoptera 1880, 166

On a Collection of Phytophagous Coleoptera made by Mr. Buckley in Eastern Ecuador 1880, 588

JEFFREYS, J. GWYN, LL.D., F.R.S., F.Z.S.

On the Mollusca procured during the 'Lightning' and 'Porcupine' Expeditions, 1868–70. (Part I.) . 1878, 393

On the Mollusca procured during the 'Lightning' and 'Porcupine' Expeditions, 1868–70. (Part II.). 1879, 553

KENT, W. SAVILLE, F.Z.S., of the Geological Department, British Museum.

On some new and little-known Species of Madrepores, or Stony Corals, in the British-Museum Collection..... 1871, 275

On a new Genus of Sponges from North Australia 1871, 615

Note on a Gigantic Cephalopod from Conception Bay, Newfoundland 1874, 178

A further Communication upon certain Gigantic Cephalopods recently encountered off the coast of Newfoundland 1874, 489

Exhibition of the plans of a Zoological Station and Museum and Institute of Pisciculture to be established at St. Helier's, Jersey 1877, 807

KIRK, Dr. JOHN, C.M.Z.S.

Letter from, concerning a Koodoo (*Tragelaphus strepsiceros*?) and other animals destined for the Society 1873, 195

KREFFT, GERARD, C.M.Z.S.

Letter from, containing notices of rare Australian Whales of the genera *Dioplodon* and *Ziphius* 1871, 630

Page

KREFFT, GERARD, C.M.Z.S. (*continued*).

Letter from, on the species of Wombat (*Phascolomys*) 1872, 795

Remarks on Australian Crocodiles, and Description of a new Species 1873, 334

Exhibition of photographs of novelties lately added to the Australian Museum 1873, 519

Letter from, concerning a young example of *Casuarius australis* living in Sydney 1877, 28

Notice of a supposed new species of Bat from Queensland 1879, 386

LANKESTER, Prof. E. RAY, M.A., F.R.S.

Notice of a Memoir on the hearts of *Ceratodus*, *Protopterus*, and *Chimæra* 1878, 634

LAYARD, EDGAR LEOPOLD, F.Z.S.

Notes on Mr. E. W. H. Holdsworth's Catalogue of Ceylon Birds 1873, 203

Ornithological Notes from Fiji, with Descriptions of supposed new Species of Birds 1875, 27

Descriptions of some supposed new Species of Birds from the Fiji Islands 1875, 149

Notes on Fijian Birds 1875, 423

Description of a new Thrush from Taviuni, one of the Fiji Islands 1876, 420

Notes on the Birds of the Navigators' and Friendly Islands, with some Additions to the Ornithology of Fiji 1876, 490

Remarks on the exact Localities of some Birds from the Islands of the South Pacific 1877, 464

Note on two African Cuckoos of the Genus *Coccystes* 1877, 465

Page

LAYARD, EDGAR LEOPOLD, F.Z.S. (*continued*).

Letter from, addressed to the Secretary, concerning *Glycyphila fasciata* and *Petrœca kleinschmidti* 1878, 655

Note on the *Pachycephala icteroides* of Peale, with Descriptions of a supposed new Species 1879, 146

Letter from, containing remarks upon Mr. D. G. Elliot's paper on the genus *Ptilopus*..... 1879, 385

Letter from, containing remarks upon the desirability of the adoption by naturalists of a fixed scale of colour in describing animals..... 1879, 713

LE CONTE, JOHN L., M.D., C.M.Z.S.

On *Platypsyllidæ*, a new Family of Coleoptera .. 1872, 799

LEE, HENRY, F.L.S., F.Z.S., &c.

On the Capture of a Specimen of Risso's Grampus at Sidlesham, near Chichester 1877, 808

LEGGE, Captain W. VINCENT, R.A., F.Z.S.

On the Breeding of certain Grallatores and Natatores in the S.E. of Ceylon, with Notes on the Nesting-plumages of the same 1875, 374

Exhibition of, and remarks upon, a series of specimens of Little Ringed Plovers from Ceylon and Central India 1880, 38

LIARDET, E.A., C.M.Z.S.

On the Land-Shells of Taviuni, Fiji Islands, with Descriptions of new Species 1876, 99

LILFORD, THOMAS LYTTLETON, Lord, F.Z.S. &c.

Exhibition of some specimens of hybrid Pheasants 1880, 421

On the Breeding of the Flamingo in Southern Spain 1880, 446

Page

LOCKINGTON, W. N.

Notice of a communication from, containing notes on the Mammals and Birds of California..... 1874, 129

LODER, EDMUND GILES, F.Z.S.

Exhibition of a head of a peculiar variety of *Bos americanus* 1878, 392

LUBOMIRSKI, Prince LADISLAS.

Notice sur quelques Coquilles du Pérou 1879, 719

MACALISTER, ALEXANDER, M.B. (T.C.D.), Professor of Zoology in the University of Dublin, President of the Royal Geological Society of Ireland.

Notes on a Specimen of the Broad-headed Wombat (*Phascolomys latifrons*) 1872, 497

MACDONALD, Professor.

Exhibition of specimens of the cranial bones of Fishes 1871, 547

MACDONALD, JOHN DENIS, M.D., F.R.S., C.M.Z.S., Staff Surgeon R.N.

Notes of a communication on some Australian Sharks 1873, 312

M'INTOSH, W. CARMICHAEL, M.D., F.L.S., C.M.Z.S.

Notice of a Memoir on British Annelida 1874, 307

Notice of a Memoir on the Annelida collected during the 'Porcupine' Expeditions of 1869 and 1870 ..... 1874, 307

MCLACHLAN, ROBERT, F.R.S., F.L.S.

On the Neuroptera collected during the Visit of H.M.S. 'Peterel' to the Galapagos Islands..... 1877, 84

Page

MARTENS, Dr. E. von, C.M.Z.S.

List of Land and Freshwater Shells collected by Mr. Osbert Salvin in Guatemala in 1873–74 ..... 1875, 647

MELDOLA, RAPHAEL, F.C.S., M. Ent. Soc. Lond.

On a Certain Class of Cases of Variable Protective Colouring in Insects. (Communicated by A. G. BUTLER, F.L.S., F.Z.S., &c.) 1873, 153

MASON, JAMES WOOD. (See WOOD-MASON, JAMES.)

MEYER, ADOLPH BERNHARD, M.D.

Letter from, containing remarks upon a new Bird of Paradise 1875, 30

Letter from, concerning four living species of Birds of Paradise said to be in the possession of Mr. Bruijn 1875, 469

Some additional Proof, if needed, of the Fact that the Red *Eclecti* are the Females of the Green ones 1877, 800

Letter from, addressed to the Secretary, respecting a new Bird of Paradise 1878, 792

Letter from, concerning the supposed existence of the Anoa (*Anoa depressicornis*) in the Philippines .. 1878, 881

Letter from, concerning the locality of *Cervus alfredi* 1879, 666

MIERS, EDWARD J., F.L.S., F.Z.S., Assistant in the Zoological Department, British Museum.

On the Crustacea collected during the visit of H.M.S. 'Peterel' to the Galapagos Islands 1877, 73

On a Collection of Crustacea made by the Rev. G. Brown, C.M.Z.S., on Duke-of-York Island..... 1877, 133

On a Collection of Crustacea, Decapoda and Isopoda, chiefly from South America, with Descriptions of new Genera and Species 1877, 653

Page

MIERS, EDWARD J., F.L.S., F.Z.S. (*continued*).

Notes on the *Penæidæ* in the Collection of the British Museum, with Descriptions of some new Species 1878, 298

On a Collection of Crustacea made by Capt. H. C. St. John, R.N., in the Corean and Japanese Seas.—Part I.—Podophthalmia. With an Appendix by Capt. H. C. St. John 1879, 18

MIVART, ST. GEORGE, Ph.D., F.R.S., F.Z.S., M.R.I., &c.

On *Hemicentetes*, a new Genus of Insectivora, with some Additional Remarks on the Osteology of that Order 1871, 58

On *Lepilemur* and *Cheirogaleus*, and on the Zoological Rank of the Lemuroidea 1873, 484

Notice of a Memoir on the axial skeleton of the Struthionidæ 1874, 607

Notice of a Memoir on the axial skeleton of the Pelecanidæ 1877, 368

Notice and abstract of a Memoir on the fins of Elasmobranchs, with considerations on the nature and homologies of Vertebrate limbs 1878, 116

Exhibition of a figure of a malformed Kestrel .. 1879, 311

Note on the Discovery of Living Medusæ in the Botanical Society's Gardens, Regent's Park 1880, 454

MOORE, FREDERIC, F.Z.S.

Descriptions of new Indian Lepidoptera..... 1872, 555

List of Diurnal Lepidoptera collected in Cashmere Territory by Capt. R. B. Reed, 12th Regt., with Descriptions of new Species..... 1874, 264

Page

MOORE, FREDERIC (*continued*).

Descriptions of New Asiatic Lepidoptera..... 1874, 565

The Lepidopterous Fauna of the Andaman and Nicobar Islands 1877, 580

A Revision of certain Genera of European and Asiatic Lithosiidæ, with Characters of new Genera and Species..... 1878, 3

Descriptions of new Asiatic Hesperides 1878, 686

List of Lepidopterous Insects collected by the late R. Swinhoe in the Island of Hainan 1878, 695

A List of the Lepidopterous Insects collected by Mr. Ossian Limborg in Upper Tenasserim, with Descriptions of new Species 1878, 821

Descriptions of new Asiatic Diurnal Lepidoptera . 1879, 136

Descriptions of new Genera and Species of Asiatic Lepidoptera Heterocera 1879, 387

Notice of a Memoir on the Indian genera and species of the Lepidopterous subfamily Ophiderinæ.. 1880, 27

MOORE, FREDERIC, WALKER, FRANCIS, and SMITH, FREDERICK.

Descriptions of some new Insects collected by Dr. Anderson during the Expedition to Yunan 1871, 244

MORESBY, Captain J., R.N.

Letter from, giving the exact locality of the young *Casuarius uniappendiculatus* presented by him to the Society 1875, 533

MORRIS, Rev. F. O.

Exhibition of an example of *Bombyx quercûs* with malformed antennæ 1879, 145

Page

MOSELEY, HENRY NOTTIDGE, M.A., F.R.S.

Exhibition of, and remarks upon, some specimens of sections of Corals 1880, 24

Description of a new Species of Simple Coral .. 1880, 41

MOSS, EDWARD L., M.D., F.R.C.S.I., Surgeon in charge R.N. Hospital, Esquimalt.

Description of a Virgularian Actinozoon from Burrard's Inlet, British Columbia 1873, 730

MULVANY, Dr. R. N.

Remarks upon the probability of a moulting of the horny sheath of the beak of the Penguin..... 1880, 2

MURIE, JAMES, M.D., F.L.S., F.G.S., late Prosector to the Society.

Additional Notice concerning the Powder-Downs of *Rhinochetus jubatus* 1871, 647

On the Skeleton of *Todus*, with Remarks as to its Allies. (Communicated by Professor NEWTON, F.R.S., V.P.Z.S.) 1872, 664

On the Indian Wild Dog 1872, 715

Observations on the Macaques.—I. The Bornean Ape 1872, 721

On the Cranial Appendages and Wattles of the Horned Tragopan 1872, 730

Observations on the Macaques.—II. Bélanger's Monkey 1872, 770

Observations on the Macaques.—III. The Formosan or Round-faced Monkey 1872, 771

Observations on the Macaques.—IV. The Japanese Monkey 1872, 780

On the Nature of the Sacs vomited by the Hornbills 1874, 420

Page

MURIE, JAMES, M.D., F.L.S., F.G.S., &c. (*continued*).

On the Skeleton and Lineage of *Fregilupus varius* 1874, 474

Notice of a Memoir on the Manatee 1879, 552

MURRAY, ANDREW, F.L.S.

Note regarding the Young Stage of the Sterlet (*Acipenser ruthenus*) 1871, 11

MURRAY, JOHN, F.G.S., F.R.G.S., C.M.Z.S.

Exhibition of, and remarks upon, natural objects dredged up during the 'Challenger' expedition 1877, 533

NATION, Professor W., of Lima, C.M.Z.S.

On the Birds of the Vicinity of Lima, Peru. By P. L. SCLATER. With Notes on their Habits, by Prof. W. NATION. (Part IV.) 1871, 496

On the Habits of *Spermophila simplex* 1874, 329

NEVILL, GEOFFREY, C.M.Z.S.

On the Land-Shells, extinct and living, of the Neighbourhood of Menton (Alpes Maritimes); with Descriptions of a new Genus and of several new Species 1880, 94

NEVILL, G., C.M.Z.S., and GODWIN-AUSTEN, Lieut.-Col. H. H., F.Z.S.

Descriptions of Shells from Perak and the Nicobar Islands 1879, 734

On the Anatomy of *Ferussacia gronoviana*, Risso, from Mentone. By Lieut.-Col. H. H. GODWIN-AUSTEN. Concluding with a Note on the Classification of the Genus and its Allies, by GEOFFREY NEVILL 1880, 662

NEWTON, ALFRED, M.A., F.R.S., F.L.S., V.P.Z.S., Professor of Comparative Anatomy and Zoology in the University of Cambridge.

On some New or rare Birds' Eggs 1871, 55

Page

NEWTON, ALFRED, M.A., F.R.S., V.P.Z.S., &c. (*continued*).

Exhibition of some rare European birds' eggs 1871, 546

On a remarkable Sexual Peculiarity in an Australian Species of Duck 1871, 649

Exhibition of the humerus of a Pelican from the Cambridgeshire fens 1871, 702

Exhibition of, and remarks upon, a specimen of Ross's Gull (*Larus rossi*) 1872, 1

Exhibition of an old copper-plate engraving of the "Géant" by Adrian Collaert 1873, 194

Exhibition of two letters, the property of J. B. Wilmot, Esq., M.D., referring to a live Dodo..... 1874, 307

On a living Dodo shipped for England in the year 1628 ..... 1874, 447

Additional Evidence as to the original Fauna of Rodriguez 1875, 39

Exhibition of two specimens of Ross's Gull, from Greenland 1875, 349

Exhibition of, and remarks upon, tracings of some unpublished sketches of the Dodo and other extinct birds of Mauritius 1875, 349

Exhibition of, and remarks upon, a book belonging to the Rev. R. Hooper, containing a notice of the Dodo 1876, 333

Note upon Canon Tristram's recent discovery of the Roebuck (*Cervus capreolus*) in Palestine 1876, 700

Exhibition of, and remarks upon, a variety of the Guillemot (*Alca troile*) 1877, 2

Exhibition of, and remarks upon, a stone supposed to be from the gizzard of *Pezophaps solitaria* 1878, 291

Exhibition of, and remarks upon, a supposed hybrid between the Red Grouse and the Ptarmigan 1878, 793

Remarks on the occasion of the death of the late President 1879, 1

Page

NEWTON, ALFRED, M.A., F.R.S., V.P.Z.S., &c. (*continued*).

Remarks upon the specimen of *Alectorœnas nitidissima* exhibited by Dr. Traquair 1879, 2

Exhibition of, and remarks upon, a specimen of *Sylvia nisoria* belonging to Mr. John Robinson 1879, 219

Exhibition of, and remarks upon, some bird-skins obtained by Mr. E. Newton, C.M.Z.S., in Jamaica . . 1879, 552

Remarks on a specimen of the "Needle-tailed Swallow" of Latham shot near Ringwood, Hants . . 1880, 1

NEWTON, EDWARD, M.A., C.M.G., Colonial Secretary of Mauritius, F.L.S., C.M.Z.S.

On a Collection of Birds from the Island of Anjuan 1877, 295

NICHOLSON, FRANCIS, F.Z.S.

On a Collection of Birds from Abeokuta 1878, 128

A List of the Birds collected by Mr. E. C. Buxton at Darra-Salam, on the coast of Africa opposite Zanzibar 1878, 353
